**REGISTRATION FORM**

**\*\*I hereby authorize Chicago Integrative Movement Specialists to perform an evaluation and to administer whatever treatment is deemed clinically necessary . \_\_\_\_\_ (initial)**

**Benefits and Risks:**

Participants in a regular and integrated program of manual therapy, proper nutrition, physical activity and scientific supplementation (where applicable) have been shown to produce positive metabolic changes in human physiology. These changes include: decreased body fat, increased work capacity and vitality, improved cardiovascular efficiency, increased muscular strength, flexibility, power and endurance.

I recognize and understand fully that the strategies recommended to me by CIMS pertaining to manual therapies/nutrition/exercise/supplementation may or may not work well for me as everyone is created differently and individual results may vary. I understand that I have ultimate control over whatever strategy I decide to implement throughout my involvement with CIMS and the recommended training program. I also recognize that exercise carries some risk to the musculoskeletal system (sprains/strains) and the cardio-respiratory system (dizziness, discomfort breathing, heart attack). I hereby certify that I know of no medical problem (except those noted in the health history form attached hereto) that would increase my risk of illness or injury as a result of participating in the training program.

By signing this consent form, I understand that I am personally responsible for my actions during my health and/or fitness program and my association with CIMS. Furthermore, I waive the responsibility of CIMS if I should incur any injury as a result of my negligence.

I certify that I have read and do understand the above financial obligations #1-5. I agree to be responsible for payment of all services rendered on my behalf or that of my dependent according to the above terms.
